

## Press release

Fürstenfeldbruck, June 2016

### **New sales manager distributors at Güntner**

Laurence Roy has years of sales experience in the refrigeration industry. Since 1 May 2016, she has been responsible for handling business in the entire Western European wholesale sector for Güntner.

#### **Years of international sales experience**

Ms Roy was employed in different sales positions and established successful wholesale structures, particularly in France. With her years of sales experience, she supported Güntner from March 2015 to May 2016 with the establishment of sustainable wholesale structures in the Asia-Pacific sales region with its headquarters in Bangkok.

#### **Expansion of wholesale operations in Western Europe**

Since 1 May 2016, Laurence Roy has supported the business developments in the Western European region from the Güntner headquarters in Fürstenfeldbruck. Her main tasks include the support for existing wholesale customers and the acquisition of new customers in this business line.

#### **About Güntner**

Based in Fürstenfeldbruck near Munich, Germany, Güntner GmbH & Co. KG is a world leader in the manufacture of refrigeration and air conditioning equipment components. With approx. 3,000 employees worldwide and production sites in Germany, Hungary, Romania, Indonesia, Mexico, Brazil and Russia, the company shows a strong presence for their partners in all markets. Decades of experience in the industry and the consistent integration of the latest technologies and research findings ensure the high quality standard of Güntner solutions. The international areas of application comprise energy & process cooling projects, industrial and commercial applications in the field of food production and storage as well as HVAC applications for buildings and specific applications such as server room cooling.

#### **About Güntner Group Europe**

Güntner Group Europe GmbH has its headquarters in Fürstenfeldbruck, Germany, and is the cross-brand holding company for Güntner GmbH & Co. KG, thermowave Gesellschaft für Wärmetechnik mbH, JAEGGI Hybridtechnologie AG, and basetec products + solutions GmbH for the EMEA region (Europe/Middle East/Africa). The transfer of information and knowledge across all companies and the resulting synergies provide critical development drivers not only for the Group but also for the market. Güntner Group's high quality levels are based on decades of industry experience and the consistent use of the latest technologies and research. Users include the international automotive, foodstuffs, pharmaceutical and computer industries and numerous public sector institutions. A-HEAT AG, Allied Heat Exchange Technology AG, with headquarters in Vienna, is a leading international technology group specialising in refrigeration, air conditioning and process technology. The Group functions as a holding company for Güntner Group companies in the EMEA (Europe/Middle East/Africa), NLA (North & Latin America), and APO (Asia & Pacific Ocean) regions.
