

## Press release

FÜRSTENFELDBRUCK, January 2019

### **Güntner: Support for the Sales Team Switzerland**

Since 1 January 2019, Malik Bouchareb has been a member of the Güntner Group, supporting the Swiss Sales Team as a field representative.

#### **Specialist in the customized planning of projects**

Following his vocational training in business administration and a dual course of study, Malik Bouchareb gained many years of experience as Project Engineer and Area Manager at a German manufacturer of heat exchangers. Thanks to this air conditioning and refrigeration know-how, our customers will certainly benefit from his intensive consulting, particularly when it comes to planning customized solutions to meet the steadily increasing requirements on energy efficiency and operational reliability.

#### **About Güntner**

Based in Fürstfeldbruck near Munich, Germany, Güntner GmbH & Co. KG is a world leader in the manufacture of refrigeration and air conditioning equipment components. With approx. 3,000 employees worldwide and production sites in Germany, Hungary, Romania, Indonesia, Mexico, Brazil and Russia, the company shows a strong presence for their partners in all markets. Decades of experience in the industry and the consistent integration of the latest technologies and research findings ensure the high-quality standard of Güntner solutions. The international areas of application comprise energy & process cooling projects, industrial and commercial applications in the field of food production and storage as well as HVAC applications for buildings and specific applications such as server room cooling.
